Master data | Location hierarchy & comparison

Use the full location hierarchy: Province → City / Regency → District → Village.

MASTER REFERENCE LOCATIONS

91,588

38 provinces • 4 regional levels

REGIONAL LEVEL	MASTER	SALESFORCE	CHECK BEFORE CREATE
Province	38	38	0
City / regency	514	890	2
District	7,277	7,828	557
Village	83,759	82,550	19,952
TOTAL	**91,588**	**91,306**	**20,511**

Master = distinct location paths. Salesforce = record IDs.

Differences between totals do not measure missing locations or duplicates.

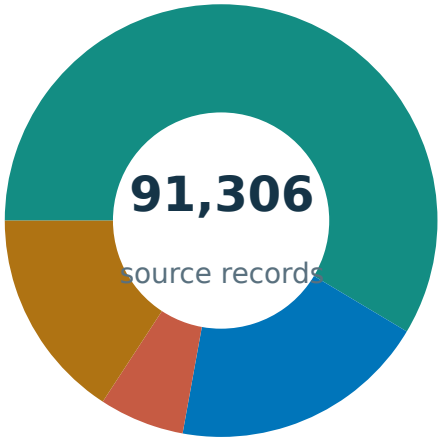

20,511

Locations flagged for an existing-record check (CALON DATA BARU).
Confirm old records and Parent IDs before approving creation.

Salesforce data | Findings & required decisions

91,306 record IDs • 53,478 match master locations • 37,828 in other review groups

CURRENT REVIEW GROUPS

Each ID is counted in one group.

REVIEW GROUP	RECORDS	ACTION FOR TIM DAIKIN
Location matches master	**53,478** 58.6%	Keep location; select primary IDs for 1,059 records still awaiting confirmation.
Proposed changes	**17,606** 19.3%	Confirm name and Parent edits; review each active section separately.
Duplicate proposals	**5,810** 6.4%	Choose the record to retain; check child references before merging.
Location / ID unclear	**14,412** 15.8%	Confirm location, regional level, and the Salesforce ID to use.

LOCATION / ID UNCLEAR
14,412 records

7,958
Proposed ID available

5,364
Location found; ID pending

1,090
No recommendation yet

687 records have several proposed IDs; confirm one final ID.

Blank recommended IDs: 6,454 = 5,364 + 1,090. All proposals require confirmation; no Salesforce updates applied.
